

Care Assistant (To cover maternity leave)

We are recruiting a skilled and motivated care assistant on days to join our dedicated team at Katherine House /Griffiths House, a 41-bed residential care home and 8-bed dementia home located on the Downs in Bristol at the same location.

We need a Care Assistant/Days who has commitment, enthusiasm and passion for working with the elderly/dementia who wants to make a difference.

Hours: From Bank to part time hours up to full time hours.

Excellent comparable hourly rates. Pay will increase in accordance with qualifications/experience which can be discussed at interview.

You will need or be desired to have the following attributes:

- Previous experience working in a care home for the elderly or experience with caring for someone or just have a can-do compassionate approach towards this industry caring for vulnerable people. The ability to learn on the job, we are very much for progression and the enthusiasm for making a difference to a person's quality of life.
- Be a happy cheerful person who can bring a smile to our residents faces. Ability to provide and maintain high professional standards of care at all times.
- Excellent communication skills, be able to bring your dedication and compassion to a fulfilling environment. Willingness to attend further training.
- Flexibility to work as per the rota with the ability to multitask with drive and commitment.
- Confidence and a positive attitude with an understanding of person centered care, wanting to provide a high quality service our residents deserve

We can offer you the following:

- Excellent rates of pay
- Wellness programme
- Company pension
- Free meals
- Free learning and development to progress your career
- Free onsite parking
- Supportive working environment
- Mental health advocates

If you have the right skills and experience and would like the opportunity to join our dedicated team and apply for this post, please contact us for more information on 01179873540 and speak to Sue Thorne.
